MAKE A WILL AND SUPPORT THE ROYAL COLLEGE OF SURGEONS OF EDINBURGH

Every adult should have a Will. Without a Will the law decides who inherits, with a Will you decide. If there is no Will, it can take longer and cost more to wind up your estate. Thomas Bradley's Estate Planning Service for later life will help you get your affairs in order and ensure the gifts you want to leave to each of your loved ones and the charities you care about get delivered.

Meet with one of Thomas Bradley's Estate Planning Consultants who will consider your circumstances and recommend the best type of Will for you-this may involve protecting your Will with a Trust [a fee will be quoted].

Wills are from £99+VAT, but thanks to our Partnership, if you are over 50, you will benefit from a FREE Will service.

Please consider making a Gift in your Will for the Royal College of Surgeons of Edinburgh. This will ensure we can continue to offer our valuable service.

Consider a 1% Gift in your Will to the Royal College of Surgeons of Edinburgh which leaves 99% of your estate to share amongst your family!

SPECIAL PRICE POWER OF ATTORNEY

A Power of Attorney (POA) is a legal document which appoints someone to act for you if you become unable to make decisions or manage your affairs. Without a POA your family may need to go to Court, causing extra hassle, delay and incurring extra expenses during a stressful time.

Thomas Bradley & Co prepare thousands of POA's every year. They let you decide whether and when to register it, which can save you around £81 per person. They can also include a caveat, so even if it's signed and registered, no one can use it until you say so, letting you keep control.

Thomas Bradley & Co will prepare your Power of Attorney for only £299+VAT, or £399+VAT for a couple. They even include the Health & Welfare Power free of charge. They will make a donation of £30 to our Charity when your POA is completed (£60 for a couple).

FREE WILL REVIEW

You may already have a Will, but is it correct and up to date? Sometimes a Will is sufficient but very often it is not. Get your Will checked before it's too late.

The review is Free! If you need a new Will a fee will be quoted, or if you are over 50 it is Free!

Your personal circumstances may require a Will Trust or Family Protection Trust, which both give your Executors flexibility. These are used to protect your assets for future generations. A fee will be quoted before you make an instruction. They will make a donation to our Charity when your Trust is completed.
