

# CAREER CREATOR DISCOUNT

## FAQS

- Be successful in a Dental or Surgical Membership level examination and choose to join the Royal College of Surgeons of Edinburgh.
- Pay a one off joining fee of **£160\*** and sign up to pay your annual subscription by direct debit.
- Offer available to new members applying from January 2024.
- Offer prices only available to members based in the UK - based on current pricing the % discounts would mean indicative fees like in the table below:

### Example Membership fees

Year 1	70% discount	£105	£8.75 a month
Year 2	45% discount	£193	£17 a month
Year 3	35% discount	£228	£19 a month
Year 4	20% discount	£281	£24 a month

- Members must remain in good standing throughout the offer period.
- The College reserves the right to withdraw or change the advertised offer.
- If you choose to withdraw your membership, or lapse in your subscription payments, then the offer ends and you won't be eligible for any future offers should you reinstate your membership.

- These fee rates apply to UK based members only. The offer will end if you move overseas (whereupon you will pay the overseas subscription rate for your new country of residence).

- This offer cannot be combined with other discounts (except for parental leave).

- This is an offer for new members. If you've recently joined we will move you on to the correct rate based on the year you joined eg if you were elected in 2023, you will move on to year 2 of the package rates.

- if you are a Member of a Sister College and decide to switch to RCSEd, you would also be eligible for this rate (as long as you've not been a member of RCSEd previously).
